

# Community Resources

Western Region – Texas

Working your way through the maze of resources, advocacy and funding for acquired brain injury can be confusing and time-consuming. This resource sheet was developed to assist you by putting all of the information, by category, in one place. Keep this with your important papers—there is information that may help you today and information that may help you in the future!

The Texas Brain Injury Resource Guide is a comprehensive guide to support, services, funding, and advocacy: <https://www.hhs.texas.gov/sites/default/files/documents/services/disability/other/texas-brain-injury-resource-guide.pdf>
